Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance: No prior art has been found to meet the limitations of claims 1-12 calling for an apparatus comprising the test control circuit operable in a test mode to create a drive fight (see fig. 4) between a dominant and subordinate driving circuit, and to generate a test value at first contact site of semiconductor chip, as further defined at claim 1.
3. No prior art has been found to meet the limitations of claims 13-17 calling for a method for testing an input/output pad on a semiconductor chip comprising driving a first contact site of the input/output pad with both the first and second driving circuits and generating a test value at the first contact site indicative of the drive strength of the first driving circuit, as further defined at claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
